WE LIFT UP COMMUNITIES.

LIVE UNITED™

U

nited Way fights for the health, education and financial stability of every person in every community. But we are more than fundraisers. We are hand raisers. We raise our hands not only to lead the fight, but to reach out to people who need help. And hope.

We win when we LIVE UNITED. By forging unlikely partnerships. By finding new solutions to old problems. By mobilizing the best resources. And by inspiring individuals to join the fight against their community's most daunting social crises.

So who are the hand raisers, the game changers? They're people who know that at the core of every human being is a desire to do good. People who recognize the power that comes from a shared purpose. People who understand they're always stronger together than they are alone. People like you.

We are part of a network of nearly 1,800 United Ways in 41 countries and territories. But the place that needs you most is right here. So raise your hand if you're ready to be that game changer. Because United we fight, United we win. We have one life. To live better, we must LIVE UNITED.

Last year, United Way of Kankakee and Iroquois Counties **helped more than 35,000 people** through our investments in local programs.
